Therefore, arrangements are to be made at least one year in advance and before any social plans are finalized.

FIRST PENANCE, FIRST EUCHARIST, CONFIRMATION:

Though immediate preparation is given to children before receiving these sacraments, it is expected that children receive a Christian education within their family life, through formal religious education classes, and by attending Sunday worship services.

PASTORAL CARE OF THE SICK: Arrangements for Communion Calls to the sick at home may be made by calling the Parish Office.

PARISH REGISTRATION: Our parish welcomes new members to our faith community. Catholic persons new to our area must complete a registration form and be interviewed by the pastor. THE CROSS OF JESUS

The perception of a cross changed dramatically after Jesus' crucifixion. Before that event, death on a cross was not only horrible, it was degrading. It was a penalty reserved only for the most wretched of criminals. The word "glory" would not have found its way into the same sentence containing the word "cross." But all that changed with Jesus. Over time, believers began to venerate and honor the cross. They painted, sculpted, and carved images of it. Many lost their own lives for their association with it. Today our reverence for and relationship with the cross recalls little of the contempt originally associated with it. As it has been through the ages, it is our perception of the cross that determines how we follow Jesus.

**DEMAND A COVID-19 VACCINE
FREE FROM ABORTION**

There is absolutely no reason why a vaccine for COVID-19 should be connected to abortion. But that is exactly what may happen in the coming months. Among the dozens of vaccines currently in development, some are being produced using old cell lines that were created from the cells of aborted babies. Other cell lines or processes that do not involve cells from abortions are available! In fact, they are regularly used for producing vaccines and are being used by some drug companies to develop a COVID-19 vaccine. The U.S. Conference of Catholic Bishops (USCCB) along with leaders of many healthcare, bioethics, and pro-life organizations, is urging the Trump Administration to make sure that vaccines for COVID-19 are developed ethically and are free from any connection to the exploitation of abortion.
