### FEAST OF FAITH The Corpus Christi Procession (After the 11 am Mass)

In the thirteenth century, a Belgian nun by the name of Juliana had a vision: she saw the full moon silvery and radiant except for one dark spot. The meaning of the vision was revealed to her: the moon was the Church's liturgical year, the dark spot a missing feast in honor of the Blessed Sacrament. Today's feast of Corpus Christi—the Most Holy Body and Blood of Christ—grew from Juliana's vision.

On this feast, many parishes observe the traditional Corpus Christi procession, giving honor to the Eucharist by carrying this greatest treasure out of the safety of our churches and into our streets. At the end of every Mass we are not just let out, we are sent forth, strengthened by the Eucharist, to be the Body of Christ in the world. The Corpus Christi procession is the dismissal writ large! We take Jesus with us, not only in our hearts, but carried in our midst and exposed in a monstrance. It is a public profession of faith and a blessing of the world. Jesus walks with us on these streets that we walk day after day, among those who know him but yearn to know him better, and among those who do not know him. The Eucharist is a mystery to be believed, to be celebrated—and to be lived.

WHERE ARE YOU GOING?

"...This is why the Word was made flesh, died and rose and gave us his Spirit; this is why he left us the Eucharist, so that we could live on him as he lives on the Father. The Eucharist is the sacrament of the gift Christ made of himself for us: he is the sacrament of love and peace, which is the fullness of life."
